CHILDCARE SCHEDULES AND CHARGES

Please note that Childcare rates and charges are not discountable. Discounts and Scholarships do not get applied to Childcare rates and charges.

It will be assumed that the childcare schedules you choose will be applied to all of your family's enrolled students (unless you specifically state otherwise).

You may choose from the following childcare schedules, in any Morning/Afternoon combination, or you may opt for only morning coverage or only afternoon coverage. These options cover childcare before 8:00 a.m. and after 3:30 p.m.

<u>Morning Childcare Options:</u>	<u>Period of Coverage</u>	<u>Mthly Fee</u>
<input type="checkbox"/> Full AM childcare	6:30 am to 8:00 am	\$120
<input type="checkbox"/> Partial AM childcare	7:30 am to 8:00 am	\$40
<u>Afternoon Childcare Options:</u>		
<input type="checkbox"/> Full PM childcare	3:30 pm to 6:30 pm	\$240
<input type="checkbox"/> Partial PM childcare	3:30 pm to 5:30 pm	\$160

The above childcare charges will be invoiced monthly through the MLS "Pay Easy" program and will be collected on either the 5th or the 20th of the month to which they apply.

Actual childcare usage will be audited weekly. If you do not choose from the package of standard childcare schedules, or if your actual childcare usage is beyond the range of the coverage you chose, you will be invoiced (monthly) for your additional childcare usage. The additional childcare usage rate is:

ADDITIONAL CHILDCARE USAGE \$10 PER CHILD / HOUR (or part of hr)

Please note that this rate is approximately 3 times the hourly rate you will pay if you choose one of the designated childcare schedules. Additional childcare billings must be paid within 30 days of their date of billing.

If you pick-up your child after our childcare closes (6:30 PM), you will be charged \$1 per child per minute for your privately supervised childcare. These late pick-up fees must be paid within five business days of the date they are incurred and will be disbursed to the employee who provided supervision for your children.

LATE PICK-UP FEES \$1 PER CHILD / PER MINUTE

If you plan to use childcare regularly, your best plan is to enroll in one of the standard programs.
